TO WHOM IT MAY CONCERN,

I, **Tapomoy Adhikari**, herein referred to as the "Declarant," hereby undertake the issuance of this comprehensive affidavit, solemnly executed under oath, to provide an unequivocal affirmation of the authenticity of my online representation across various social media platforms. In response to the distressing emergence of instances involving the potential misrepresentation of identity, I recognize the paramount necessity to establish, beyond the shadow of doubt, the legitimacy of my presence on these digital platforms.

DECLARATION OF AUTHENTIC SOCIAL MEDIA PROFILES

The Declarant, keenly aware of the legal and moral gravity of this solemn affirmation, stands firm in the declaration that the following social media profiles/accounts are unassailably genuine and exclusively managed by the Declarant:

Social Media Platform	Username/Handle	Profile URL/Link
Facebook	@tapomoyadhikari	facebook.com/tapomoyadhikari
Instagram		instagram.com/tapomoyadhikari
LinkedIn		linkedin.com/in/tapomoyadhikari
Twitter		twitter.com/tapomoyadhikari
Threads by Meta		threads.net/@tapomoyadhikari

In view of the complex digital landscape we inhabit, the Declarant earnestly implores all interested parties to exercise the utmost diligence, and to approach with the utmost vigilance, the confirmation of the unassailable authenticity of the profiles enumerated in this comprehensive, legally binding sworn affidavit. The Declarant underscores that should any occasion arise where an individual encounters a social media profile purporting to be associated with the Declarant, and such a profile has not been explicitly enumerated herein, **it is respectfully urged that the responsible party takes immediate action to report such instances as potential unauthorized impersonation.**

Moreover, to provide complete transparency and to ensure the unequivocal assurance of all concerned parties, the Declarant hereby solemnly commits to promptly inform the relevant stakeholders of any and all prospective accounts or profiles that may be instituted on social media platforms in the future, which could potentially be utilized by the Declarant.

SO SWORN AND AFFIRMED, under the penalties of perjury, and as an honest, true, and accurate representation, on the 7th day of October, 2023.

Thanks and regards,

T. Adhikari
